John:

*referred to in memo*  
Based on 21 Comp. Gen 95 it appears that the payments might be made retroactive to the date of administrative action on the Form 37-1 in the Personnel Folder. In the case of [REDACTED] this date is 8 Feb. altho the effective date is set up as 30 March.

However, this would not give full restitution and presumably would only lessen but not cure, the morale problem referred by [REDACTED]

Also intentionally omitted any reference to CFR [REDACTED] That is for them to raise; if anyone is to do it, particularly in view of the flood of such requests recently which I understand are becoming increasingly unpopular with DDA.
